CASTELLANI

**BRUNELLO
DI MONTALCINO**
ORIGINE CONTROLLATA E GARANTITA

la massima espressione enologica di una terra che da
i vitivinicoli. Questo grande vino prodotto nei vigneti
montalcini, si ottiene da uve del solo vitigno Sangiovese
redio corpo divenendo Brunello solo dopo un lungo
vi dei quali almeno 3 in botti di rovere o di castagno.

È perfetto con importanti arrosti e con formaggi stagionati; particolarmente indicato
come vino da meditazione.

Brunello di Montalcino is the ultimate oenological expression of an area with a
longstanding wine tradition. It is produced in rather limited quantity within
the boundaries of the Montalcino Community, south of Siena, with a special
Sangiovese varietal known as Brunello; the minimum ageing is four years (with
a sojourn in oak casks of three years). Brunello has an intense ruby-red colour
trailing to garnet with ageing, a characteristic and intense odor and a dry, warm,
robust and harmonious flavour. Consume with roasted meats and poultry.

2001 VINUM Cabernet Sauvignon

- bedste køb i Sydafrika's topområde
Stellenbosch

Bag Sydafrika's nye komet, Vinum, står Sydafrikaneren Martin Gerbers, de to franskmænd Edouard Labeye og Chris Durand, samt briterne Alex Dale. Den samlede årsproduktion er på bare 1.500 kasser. Målet med Vinum Cabernet er at skabe en vin med den klassiske europæiske struktur og den solmodne frugt fra "den nye verden". Og vigtigst af alt, så skal vinen tilbyde et exceptionelt godt forhold mellem pris og kvalitet.

Det lykkes forrygende godt. I glasset en fantastisk, dybrød varm og solmoden Cabernet med den helt rigtige balance mellem generøsitet og struktur.

Fantastisk til prisen - burde nok koste 40% mere!

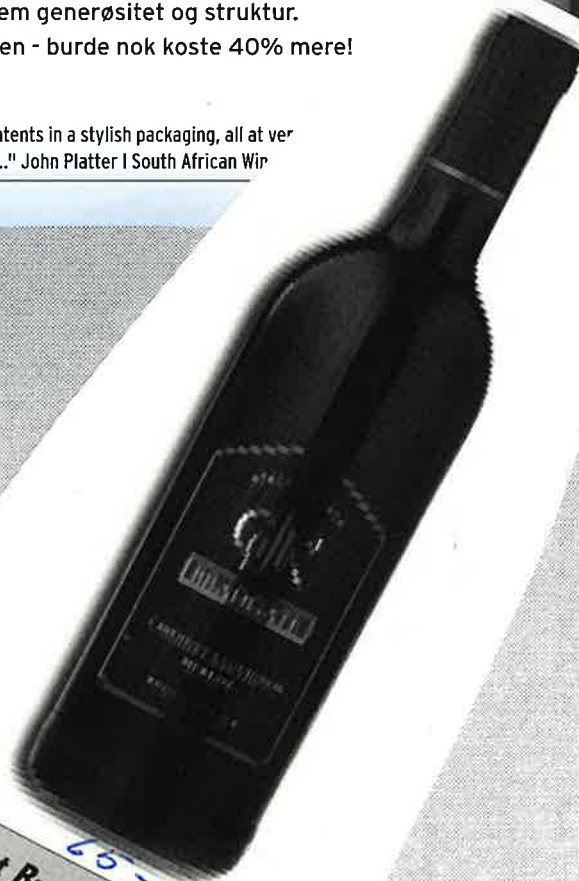

"..high quality contents in a stylish packaging, all at very reasonable prices.." John Platter i South African Wine

MONTES
Folly

"Apalta Valley was once
a dry desert and farmers
lived searching for the good
fortune for red wine in Chile.
My partners agree and
"La Foca de Apalta," a desert
Estate, was chosen to plant our
cool and Syrah - native to Europe -
planted in the steeper slopes. But we
considered Folly by the Concha y Toro
this wild wine, harvested by apalta, in Chile.
Only the games of Ralph Straube could turn
this emotional wine into a 1960, to him or yours."
